Terms & notes

- Abandoned cycles: cycles abandoned prior to insemination will be billed for monitoring scans and blood tests plus a £300 cycle admin fee.
- Payment terms: treatment charges are due by 1st scan and all other charges are payable upon presentation.
- Medications are not included in the above cycle fees, please check with your nurse or coordinator for more information.
- Patients considering IUI should have the patency of their fallopian tubes checked by a HyCoSy prior to treatment.
- If your cycle requires replanning, there will be a £100 charge.
- If you are late to a monitoring scan appointment by 15 minutes or more, you will need to rebook the appointment and pay the scan fee of £200.
- If you are planning to use donor sperm, we advise you to reserve at least 2 ampoules of donor sperm for each cycle of treatment. Please note that any donor sperm samples imported to the clinic will incur an administrative fee for the import process.

This price list is effective from 1 July 2024, serves for information purpose only and should not be treated as a formal service agreement. The above figures are intended as a guide and are subject to change without notice.
