1. Abandoned cycles:
  - a. ovarian stimulation cycles abandoned prior to egg collection will be billed for monitoring scans and blood tests plus a £300 cycle admin fee; at egg collection, if there are no eggs or failed fertilisation or no embryos to freeze, a credit of £400 will be issued
  - b. frozen embryo transfer cycles abandoned prior to embryo transfer will be billed for monitoring scans and blood tests plus a £300 cycle admin fee; at embryo transfer, if there are no embryos for transfer then we regret no credit will be issued.
2. If a cycle requires replanning, there will be a £100 charge.
3. Payment terms: treatment charges are due by 1st scan and all other charges are payable upon presentation.
4. This price list is effective from 1 July 2024, serves for information purpose only and should not be treated as a formal service agreement. The above figures are intended as a guide and are subject to change without notice.
5. If you are late to a monitoring scan appointment by 15 minutes or more, you will need to rebook the appointment and pay the scan fee of £200.
