

## Price list

| Pre-implantation Genetic Testing For Monogenetic Disease (PGT-M) by Karyomapping or STR |               |
|---|---------------|
| <b>Work-up</b>  | <b>£2,250</b> |
| <b>Embryo testing (up to 9 embryos)</b>   | <b>£4,300</b> |
| <b>Per additional embryo</b>  | <b>£500</b>   |
| <b>Embryo biopsy only (no analysis, per cycle)</b>                                      | <b>£500</b>   |

1. The above services can only be performed in conjunction with the appropriate fertility treatment to create embryos and subsequently transfer them.
2. The above services also assume the condition has been approved for testing by the HFEA. If this is not the case and application to the HFEA is required, this will incur further charges.
3. Biopsy: most biopsies will be performed on D5 or D6 (trophectoderm biopsy at blastocyst stage)
4. Cancellation: pre-biopsy £100, post biopsy £500 (biopsy fee, no test)
5. This price list is effective from 1 July 2023, serves for information purpose only and should not be treated as a formal service agreement. The above figures are intended as a guide and are subject to change without notice.
